

Meeting Agenda

Location: Skype

Date: 2012-03-18

Time: 14:00

Facilitator: Marcus Thyren

Participants: Anton Palmqvist, Henrik Andersson, Tomas Sellden

1. Objectives (5 min)
We have found two different frameworks Slick and Pulpcore but we still don't know which one we should use. We also don't know if our Domain Model is effective.
2. Reports (15 min)
We have decided to use a framework but we don't know which one for now!
3. Discussion items (35 min)
 - 1 We are sticking to the schedule.
 - 2 Look at some tutorials for the frameworks Slick and pulpcore
 - 3 To find out which framework is most effecient for our project
4. Outcomes and assignments (5 min)
 - 1 Everyone should look at the tutorials
5. Wrap up
 - 1 unsolved, which framework to use
